

If You're Not Sure of the Car You Want Then...

Be Sure of the Dealer You Buy From

1. DON'T BE CONFUSED with tremendous discounts which can only stem from inflated prices.
2. DON'T BE A SUCKER for terrific over-allowances on your car. These again are usually the product of an inflated new car price.
3. NO DEALER is giving away cars. He must make a profit to stay in business.
4. CONCERN YOURSELF only with the quality of the merchandise you buy and the "net" difference you pay.

We invite your inspection of our products... DE SOTO-PLYMOUTH
